Faith full of holes
And Empty Promises
Are all that they had for you
Trade flesh and bone
For dirt all shit you Composes
To this world we commit you
This is not goodbye
This is just a kiss before you die
This is not goodbye
Take my hand and close your eyes
Now hold on
To everything
You thought that they had for you
Life Love
And eternal grace
I wont forget you
This is not goodbye
This is just a kiss before you die
This is not goodbye
Take my hand and close your eyes
And show me
Your not afraid
Show me
Show me
Your not afraid
And if I could
I would take all the pain
For you
You know if I could
I would take all the pain
For you
Pain for you
Close your eyes
Heres a kiss
Before you die
This is not goodbye
This is jut a kiss before you die
This is not goodbye
Take my hand and close your eyes
And show me
Your not afraid

Show me
Show me
And show me
Your not afraid
