"Baby It's Cold Outside"

Visit "[Baby It's Cold Outside](#)" on MotoLyrics.com

I really can't stay - But, Baby it's cold outside
I've got to go away - Baby it's cold outside
This evening has been - Been hoping that you'd drop in
So very nice - I'll hold your hands, they're just like ice
My mother will start to worry - Beautiful, what's your hurry?
My father will be pacing the floor - Listen to the fireplace roar
So really I'd better scurry - Beautiful, please don't hurry
well Maybe just a half a drink more - Put some records on while I pour

The neighbors might think - Baby, it's bad out there
Say, what's in this drink - No cabs to be had out there
I wish I knew how - Your eyes are like starlight now
To break this spell - I'll take your hat, your hair looks swell
I ought to say no, no, no, sir - Mind if I move in closer
At least I'm gonna say that I tried - What's the sense in hurting my pride
I really can't stay - Baby don't hold out
Ahh, but it's cold outside

I simply must go - But Baby, it's cold outside
The answer is no - Ooh baby, it's cold outside
This welcome has been - I'm lucky that you dropped in
So nice and warm -- Look out the window at that storm
My sister will be suspicious - Gosh, your lips look so delicious
My brother will be there at the door - Waves upon a tropical shores
My maiden aunt's mind is vicious - ohh your lips look delicious
Well maybe just a cigarette more - Never such a blizzard before

I've got to go home - Oh, baby, you'll freeze out there
Say, lend me your comb - It's up to your knees out there
You've really been grand - i say, when you touch my hair
But don't you see - How can you do this thing to me
There's bound to be talk tomorrow - Making my life

long sorrow
At least there will be plenty implied - If you caught
pneumonia and died
I really can't stay - Get rid of that old out
Ahh, but it's cold outside

Baby it's cold outside

Brr its coldÃ¢â€šâ€™!
It's cold out there
Cant you stay awhile longer baby
WellÃ¢â€šâ€™..I really shouldn't...alright

Make it worth your while baby
Ahh, do that againÃ¢â€šâ€™!
