Love me like a woman  
Love me like a woman  
Love me like a woman  
Love me like a woman

I don't know what you're gonna do  
I just know what I want you to  
So, love me like a woman  
Touch me like a woman  
Hold me like a woman  
Be my woman

I'm getting ready  
Getting ready  
Getting ready  
I'm ready

Won't you love me like a woman?  
Be my little woman  
Love me like love  
A woman, a big woman

Cause I'm getting shaky  
So shaky  
I'm getting shaky  
See me shaking

Love me like a woman  
Love me like a woman  
Ooh! Big woman  
Love me  
Love me like a woman

Like a woman  
Like nature  
You gotta love me  
Go on, touch me  
Hold me, need me  
Love me like a woman  
Oh yeah!

Ok

Love me like a woman  
Oh-huh  
Just like a woman  
Just be my little woman  
Love me like a woman, yeah
