Lady pick your feet up  
Come and lay beside me  
Show me things I've never known before  
Seven days of wonder  
Come and pray beside me

I guess I'm through believing  
No one's waiting for me  
Think I woke up living on my dreams  
You black eyed husky woman  
Come and lay beside me  
Black eyed husky woman  
Come and stay beside me

She ain't just another rainbow  
Silver lining in the sky  
She ain't just another rainbow

Adam and the Devil got me thinking  
'Bout women so I walked right up to her  
Adam and the Devil got me thinking  
'Bout women so I talked right up to her

I said I ain't got no time to waste  
So do the things you're told  
Give me seven days of wonder

Come and stay beside me

Adam and the Devil got me thinking  
'Bout women so I walked right up to her  
Adam and the Devil got me thinking  
'Bout women so I talked right up to her

And I said I ain't got no time to waste  
So do the things you're told, yeah  
Seven days of wonder  
Come and stay beside me

She ain't just another rainbow  
Silver lining in the sky  
She ain't just another rainbow

Not the same as you and I

She ain't just another rainbow  
Silver lining in the sky  
She ain't just another rainbow  
Not the same as you and I

She ain't just another rainbow  
Silver lining in the sky  
She ain't just another rainbow
