Streetwalker

You've been so good to me

Sweet talker

You've sure been so good to me

You make a lonely hearted stranger feel

Magic

There's magic in the way you make me feel like

Magic

I can't believe it's true, no

Magic

So spooky in the way you always get me higher

Voodoo woman you've cast a spell on me

Woman

Woman I know that you're the only

Woman

I believe in you

Woman

You're having everyone who comes your way

You woman

Got me on my knees, what can I do

Gotta get to the well

Before the well runs dry

And shuts me out again

You got something to sell

Beneath the midnight sky

Lady I'm in need of a friend, yeah

Magic

There's magic in the way you make me feel like

Magic

Well I can't believe it's true, no

Magic

So spooky in the way you always get me higher

Voodoo woman you've cast a spell on me, yeah

Streetwalker

You've been so good to me

You sweet talker

You've sure been so good to me
You make a lonely hearted stranger
Feel like he ought to be

Love woman
Dressed like a neon sign, ah, oh, oh
Love woman
Dressed like a neon sign
Just a hoochie-koochie baby
Loving with anyone you find
Remember you're mine

Streetwalker
You've been so good, good to me
Oh, sweet talker, sweet walker, sweet talker
You've been so good to only me
Make a lonely hearted stranger
Feel like it just got to be, ooh, ooh, ooh
