Ohh, the feelings gone in my temporary arm
We almost amputated but I got my new one on
I feel like a robot with my new arm hangin' on
Even though I'm stronger now, I miss you, miss you

Miss you flesh arm, so much, oh God
Miss you, miss you, I miss you, I miss you, miss you
Miss you, miss you, I miss you, I miss you, miss you'

Oh, something's feeling wrong in my electronic arm
We almost amputated but I got my new one on
Feel like a robot with my new arm hangin' on
Even though I'm stronger now, I miss you, miss you

Miss you flesh arm, so much, oh God
I miss you, miss you, I miss you, I miss you, miss you
Miss you, I miss you, I miss you, miss you, miss you
I miss you, I miss you, miss you, miss you
