"Lilium"

The mouth of the just shall meditate wisdom

And his language shall be spoken in judgment

Blessed is he who suffers temptation

Since he, with approval, shall receive the crown of life

Lord, fire divine, have mercy

Oh how holy

How serene

How kind

How pleasant

Oh, lily of chastity!

Lord, fire by divine, have mercy

Oh how sacred

Oh, How serene

How bevolent

How lovely

Oh! Lily of chastity
