(Verse 1)

Love at first sight  
Used to sound crazy to me  
But after we met that night  
Girl you made me believe  
Till death do us part  
Is what I wanna say  
But right now  
I'll tell you how I feel today  
Well it...

(chorus)

Must be your smile  
Those big brown eyes  
That laugh gets to me everytime  
Its each and every detail about you  
That makes me want you mine

(Verse 2)

God sent down an angel  
The day I met you  
After all my troubles  
You made my dreams come true  
If you ask why I love you  
I'll tell you everytime  
It is all of the reasons  
That makes me want you mine  
Well it...

(Repeat Chorus)

(Chorus 2)

Well its...  
The way you wink at me  
From the other side of the room  
Even the way you speak your mind  
Its each and every detail about you  
That makes me want you mine

(Verse 3)

If you ask why I love you

I'll tell you everytime  
Its each and every detail about you  
That makes me want you mine
