Fears and insecurities
Tears and apologies
Dreams and realities
Feelings you still have for me

Pain in your lying eyes
Your reasons and your alibis
Your excuses compromise
The way you feel inside

Bring it on Bring it on home
Bring it on Bring it on home
Bring it on Bring it on home
Bring it on home to me

Your wrongs and your rights
Your colors and your black and whites
Your style and your grace
You big brown eyes and your pretty face

Your battles and your wins
Your pureness and your sense
Your independence, well that depends
Did you still need me?

Bring it on Bring it on home
Bring it on Bring it on home
Bring it on Bring it on home
Bring it on home to me

Cause I miss you way too much
Every day just gets more tough
And I still would like to think
That you wanna come back to me

Bring it on Bring it on home
Bring it on Bring it on home
Bring it on Bring it on home...

Bring it on bring it on home
Bring it on Bring it on home
Bring it on Bring it on home

Yeah, Bring it on home to me

Yeah bring it on home to me....

Yeah bring it on.....
