way back on the radio dial
fire got lit inside a bright eyed child
every note just wrapped around his soul
from steel guitars to Memphis all the way to rock n roll

ohh ohh
I can hear em playing
I can hear the ringing of a beat up old guitar
ohh ohh
I can hear em singing
keep on dreaming even if it breaks your heart

downtown is where I used to wonder
old enough to get there but too young to get inside
I would stand out on the sidewalk
listen to the music playing every Friday night

ohh ohh
I can hear em playin
I can hear the ringing of a beat up old guitar
ohh ohh
I can hear em singing

keep on dreaming even if it breaks your heart

(Solo)

some dreams stay with you forever
drag you round but bring you back to where you were
some dreams keep on getting better
you gotta keep believing if you wanna know for sure

ohh ohh
I can hear em playin
I can hear the ringing of a beat up old guitar
ohh ohh
I can hear em singing
keep on dreaming even if it breaks your heart
(x2)
keep on dreaming even if it breaks your heart

oh oh oh

keep on dreaming
oh oh oh
don't let it break your heart
