waging wars against my sins  
its been a while since i talked to him  
i keep a bible by my bed  
but its been a while since its been read

i dont know why  
ive let things come  
this far

its hard to ask him to forgive  
when you live a life you dont wana live  
on my knees and crawling home  
id never wana feel along

i dont know why  
ive let things come  
this far

gaurdian angel  
watching over me tonight  
sorry you got stuck with me  
but im glad your by my side

its not good to drink alone  
but i do every night when i get home  
alot i need to get off my chest  
buts its hard to pray with whiskey on my breath

i dont know why  
ive let things come  
this far

well this girl she was a friend of mine  
use to talk all the time  
she said she'd love to let me in  
but she thinks im high again

i dont know why  
ive let things come  
this far

gaurdian angel  
watching over me tonight  
sorry you got stuck with me  
but im glad your by my side x2

waging war against my sins  
its been a while since i talked to him.
