Oklahoma Girl

Fell in love with an Oklahoma girl  
She stole my heart took over my world  
She lit my cigarette and never had to ask  
One look and I was gone like that

That's ok I don't mind  
This Texas boy just might find something in that  
Oklahoma girl

Met that girl she took me where I've never been before  
Miles away from my so-called life I didn't really care  
She took me there.....

Made a 2-hour drive to stay one night  
A kiss on the lips made it all feel right  
Her hands through my hair and her head on my chest  
The whole day we stayed in bed

That's ok I don't mind  
This Texas boy just might find something in that  
Oklahoma girl....

Met that girl she took me where I've never been before  
miles away from my so-called life I didn't really care  
she took me there....

I crossed the state line about an hour ago  
got all week to brag to everyone I know  
who roll their eyes and shake their heads  
have their doubts  
make their bets.....

But that's ok, I don't mind  
This Texas boy just might find something in that  
Oklahoma Girl....

Met that girl she took me where I've never been before  
Miles away from my so-called life I didn't really care  
she took me there...
