Elian Gedeon
"Rainbow"

When the sea is at peace…
I come out and watch you grow…
You're the man of my dreams…
Like a mermaid in the sea,
I come out and sing for you…

I just want you
I just want you
I just want you to know…
Rainbow…
In the distance
In the distance
I just want you to show…

When your tears set you free
Remember,
I'll be waiting here for you,
Till loneliness arrives…
And the dreams in your eyes,
Are True… everything will be allright,
Cause my heart belongs to you.

I just want you…
I just want you…
I just want you to know…
Rainbow…
In the distance…
In the distance…
I just want you to show…
Rainbow.
