Day by day, I'm falling more in love with you
And day by day my love seems to grow
There isn't any end to my devotion
It's deeper dear by far than any ocean

I find that day by day you're making all my dreams
come true
So come what may I want you to know
I'm yours alone and I'm in love to stay
As we go through the years day by day

Day by day I'm falling more in love with you
And day by day my love seems to grow
There isn't any end to my devotion
It's deeper dear by far than any ocean

I find that day by day you're making all my dreams
come true
So come what may I want you to know
I'm yours alone and I'm in love to stay
As we go through the years day by day

I find that day by day you're making all my dreams
come true
So come what may I want you to know
I'm yours alone and I'm in love to stay
As we go through the years day by day
I'm yours alone and I'm in love to stay
As we go through the years day by day
Day by day, day by day, day by day
