The more I see you the more I want you
Somehow this feeling just grows and grows
With every sigh I become more mad about you
More lost without you and so it goes

Can you imagine how much I'll love you
The more I see you as years go by?
I know the only one for me can only be you
My arms won't free you, my heart won't try

The more I see you the more I want you
Somehow this feeling just grows and grows
With every sigh I become more mad about you
More lost without you and so it goes

Can you imagine how much I'll love you
The more I see you as years go by?
I know the only one for me can only be you
My arms won't free you, my heart won't try
The more I see you as years go by

Can you imagine how much I'll love you
The more I see you as years go by?
I know the only one for me can only be you
My arms won't free you, my heart won't try
The more I see you as years go by

The more I see you the more I want you
The more I see you the more I want you
The more I see you the more I want you
