[Intro: man speaking]

In seconds, letters we write  
In minutes, a line or two  
An hour perhaps a paragraph  
In a day, with a page, we're thru  
Then comes the weeks and then the months  
As time goes marching on

[Verse 1: Kaoz]

Stop!  
This is the rule & main concern in plain English  
For these are those who are supposed and intent  
To listen and sign and go, with the set tempo  
(scratching)  
but no!  
You talking like a big man but, you're just a small fry  
But why you'd wanna throw me off with the wild lie?  
But now I've had it up to here with the bullshit  
I'm throwing you a shovelâ€¦ now YOU shovel it!  
The questionnaire of a person I see seems to be all  
about  
When's the album coming out?  
I never know what to do, or what say  
So I say "Like any given year" or "Like any other day"  
When I go make a song, man go get it tested  
People always ask me "How come that's not a record?"  
Or "Can I get a copy, I gotta tape right here"  
And I laugh to myself because I made this early last  
year

(Scratching)

When it's time to rollâ€¦

[Kaoz]

I'm tired of slow rollin'

[Verse 2: Chino XL]

Now once again  
You've fallen to a dimension that's horrifying  
Rappers be glorifying  
Cus Origin is never trying

To R&B they ears off  
On stage soft  
Crossover, Water, Assaulter, I slaughter, pop with  
hardcore  
People ask for autographs, sometimes I laugh  
At times my album's four years late  
Well lets accelerate/ 'XL'arate!  
People in this industry ain't nothing but scavengers  
Sweating that Marky Mark shit, dissin' my manager  
You can't beat beef, Fold me, Control me  
It'll take more than rubbin' a log on Apollo stage to hold  
me  
Mayors don't give a damn cus they on that salaries  
That explains the Dr. Jekyll and Mr. Hide personalities  
People say "Chino, why should we put you on a  
pedestal?"  
Cus I was writing rhymes why you was collecting  
stuffed animals  
In a matter of months you bluff, I caught flowing  
Chino XL mad ass hell, I'm tired of slow rollin'

(Scratching)  
When its time to roll

[Chino XL]: (repeat 4x)  
Tired of slow rollin'

(Scratching)  
Take it man! (Repeat 4x)  
Take the thing man!

[Verse 3: Kaoz]  
As many people as I know, that are up there  
They try to be a big will, but they really scared  
That someone like myself voices their opinion  
To be truthful and do it as an option  
And I say option because I decide to take it now  
I get where I want someway, somehow  
And if I take it to the streets now it goes underground  
When I go major, I get the major runaround  
The power of God!  
(yelling)  
He watches over me  
Makes me what we are, of the Origin  
See, the 6-23, the ending of a game  
Kaoz is the name that I use, fuse  
To abuse and bring an abrupt end  
To those that are stuck in the mud  
I'm tired of slow rollin'

(Scratching) (repeat 2x)

When it's time to roll

(Girl sample)

Cus they envy us, they try imitate us

[Verse 4: Chino XL]

I'm pushing the pedal to the ground while you rewind  
Mine, your album's a joke but I still don't get the punch  
line

But I figure it's cus of ignorance

I'm causing the violence starts

Silence in the dark!

Butcher's knife is sharp!

You walk thru the park!

YO!!!!!!!!!!

6-25 is know to cause ???? foe's disaster

Then I relax and laughed at cus he goes "I'm mace &  
plaster"

So who in the hell is gonna take away my reputation

I'll be the prince until I choose to leave the title vacant

And personally

I think I treated you mercifully

Cus suckas keep making records that sound like  
commercials for me

I laugh at your list and break your compact disk... you  
missed

You try to get pissed and you're risking your lips to this:  
my fist

I lay down a mine like a Palestine Einstein

And keep you around cus I'm down for a shoeshine

People telling me be patient, relax and be cool

When my carrier is rolling like a tear, trying like and old  
mule

Brothers make jokes, folks said we couldn't make it

They said ? so I guess we had to take it

Chino XL 6-25, Kaoz 6-23

For Trace 9-11 will go down in history

I ain't rollin' slow

[Kaoz]

Yeah, I'm tired of slow rollin'

[Chino XL]

Yo, Profile is slow rollin, you know what I'm saying?

My man Mark Goldstein is not slow rollin

Rick Ruben is not slow rollin

My man Dan Charnas is not slow rollin, nuh'msayin

East Orange is not slow rollin

[Kaoz]

No, my man Clint Robbins, he's slow
