I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying, I'm a child of God

I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying, I'm a child of God

You know after death,
you have got to go by yourself
And I don't mind dying, I'm a child of God

I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying, I'm a child of God

Bye and bye I will hear the angel sing
Bye and bye I will hear the angel sing
And I don't mind dying, I'm a child of God

You know after death,
you have got to stand your test
And I don't mind dying, I'm a child of God

I said bye and bye I'm going to see the King
Bye and bye I am going to see the King
And I don't mind dying, I'm a child of God
