Yes God, God Don't Never Change  
He's God, always will be God

God in the middle of the ocean  
God in the middle of the sea  
By the help of the great creator  
Truly been a God to me  
Hey God, God Don't Never Change  
God, always will be God

God in creation  
God when Adam fell  
God way up in heaven  
God way down in hell  
He's God, God Don't Never Change  
God, always will be God

Spoke to the mountain  
Said how great I am  
Want you to get up this mornin'  
Skip around like a lamb  
Well he's God, God Don't Never Change  
God, always will be God

God in the time of sickness  
God in the doctor too  
In the time of the influenza<sup>1</sup>  
He truly was a God to you  
Well he's God, God Don't Never Change  
He's God, always will be God

God in the pulpit  
God way down at the door  
He's God in the amen corner  
God all over the floor  
Well he's God, God Don't Never Change  
God, always will be God
