Well, if I had my way

I had-a, a wicked mind

If I had-a, ah Lord, tear this building down

Weh-ell!

Delilah was a woman fine an' fair

Her pleasant looks-a, her coal black hair

Delilah gained old Samson's mind

A-first saw the woman that looked so fine

A-well went Timnathy, I can't tell

A daughter of Timnathy, a-pleased him well

A-Samson told his father, 'I'm goin a-a-a'

(Help) me Lord

If I had my way

Well, if a had-a, a wicked world

If I had-a, ah Lord, tear this building down

Weh-ell!

Samson's mother replied to him

'Can't you find a woman of your kind and kin?'

'Samson, will you please your mother's mind?'

Go'd and married that-a Philistine

Let me tell you what, old Samson

Well, he roared at the lion, the lion run

Samson was the first man the lion attach

He caught the lion and got upon his 'ack

A-written that he killed a man with his

And Sampson had his hand in the lion's jaws

If I had my way

If I had-a, a wicked world

If I had-a, ah Lord, tear this building down

'Well, your riddle please, a-tell it to me'  
'A-how an eater became forth meat?'  
'Well, your riddle please, a-tell it to me'  
'A-how strong of it came forth sweet?'  
Deliah, got his army after him  
Well, the bees made-a honey in the lion hair

Well, if I had my way  
Well, if I had-a, a wicked world  
If I had-a, ah Lord, tear this building down

Sewed me tow knot, an' formed a plot  
Not many days 'fore Samson was caught  
A-bind this hands whilst a-walkin' along  
A-looked on the ground and found a lil' jawbone  
He moved his arm ropes, a-pop like thread  
Dropped those threads free, three thousand were dead

Lord, If I had my way  
Well, if I had a, a wicked world  
If I had a, ah Lord, tear this building down

Weh-ell!  
Samson's trick though they never found out  
'Till they began to wonder about  
A-'till his wife sat up upon his knee  
'A-tell me where your strength lie, if you please?'

Samson's wife she a-talked so fair  
Told his wife cut off-a his hair  
'Shave my head, clean as your hand  
'Till I become a natural man!'

Lord, If I had my way  
Well, if I had a, a wicked world  
If I had a, ah Lord, tear this building down.
