let it shine on me
let it shine on Me
let your light from the lighthouse shine on me

let it shine on me
let it shine on me
let your light from the lighthouse shine on

my lord he's done,
just what he said
let your light from the lighthouse shine on me

heal the sick,
and rise the dead
let your light from the lighthouse shine on me

oh let it shine on
oh let it shine on
let your light from the lighthouse shine on me

shine on
oh let it shine on
let your light from the lighthouse shine on me

(Gruff Voice -)
I know I've got religion,
and I ain't ashamed
let your light from the lighthouse shine on me
angels in heaven, done wrote my name
let your light from the lighthouse shine on me

oh let it shine on
oh let it shine on
let your light from the lighthouse shine on me

shine on
oh let it shine on
let your light from the lighthouse shine on me

oh let it shine on
oh let it shine on
let your light from the lighthouse shine on me

shine on
oh let shine on
let your Light from the lighthouse shine on me

shine on
oh let it shine on
let your light from the lighthouse shine on me

shine on
oh let it shine on
let your light shine on me
