[Verse 1:]

Working everyday of the week oh my  
And I never got time for nothing  
See I really need to clear up my mind  
(Yeah)

I don't have a day to waste no time  
But baby I'm thinking bout you  
If u wanna talk what's on your mind  
Just know that I always got you

[Bridge:]

It feels like 24/7  
Like 24/7  
And I know it's kinda hard because  
I'm never there for you

But I'm telling you right here  
That you never ever gotta fear  
I'm not gonna lose the love we have  
Which why is why I promise you

[Chorus:]

You can call me everyday of the week  
You can hold me anytime that you need  
I will be there  
I will be there my boo  
Cause I'm Available for you

You can trust me when there's nobody there  
You can write me to show me you care  
I will be there  
I will be there my boo  
Cause I'm Available for you

[Verse 2:]

Wishing everyday of the week your mine  
And we could chill every weekend  
Put aside all the problems in our lives  
So we can kick it like we best friends  
See I'm-  
Hoping that we work this thru

Cause I'll-  
Try to make time for you

[Bridge:]  
It feels like 24/7  
Like 24/7  
And I know it's kinda hard because  
I'm never there for you

But I'm telling you right here  
That you never ever gotta fear  
I'm not gonna lose the love we have  
Which why is why I promise you

[Chorus:]  
You can call me everyday of the week  
You can hold me anytime that you need  
I will be there  
I will be there my boo  
Cause I'm Available for you

You can trust me when there's nobody there  
You can write me to show me you care  
I will be there  
I will be there my boo  
Cause I'm Available for you

[Verse 3:]  
I know that ud never turn away  
You would just say  
Tell me your problems, I'll solve them  
Baby it'ss ok

Even though I work and I'm never home  
You'd call phone  
And tell me you love me, you need me  
Baby it's ok

[Bridge:]  
It feels like 24/7  
Like 24/7  
And I know it's kinda hard because  
I'm never there for you

But I'm telling you right here  
That you never ever gotta fear  
I'm not gonna lose the love we have  
Which why is why I promise you

You can call me everyday of the week

You can hold me anytime that you need  
I will be there  
I will be there my boo  
Cause I'm Available for you

You can trust me when there's nobody there  
You can write me to show me you care  
I will be there  
I will be there my boo
