I just need to know  
I  
Just need to see  
If you really love  
Really loving me  
See I ain't fuckin'  
Playing  
But I just see you playing  
What is going on  
Everything is going  
Wrong

You got me all stressed out  
You don't wanna work this out  
So you keep  
On walkin away  
I gave the best of me  
You put the blame on me  
So just keep on  
Walkin away

I saw you walk away  
From the life we  
Had  
One day you'll realize  
I'm the best you had  
[X2]

I gave you one more chance  
You threw it in my  
Face  
No I ain't playin games  
Baby girl you'll get replaced

I always put you  
First  
But now you put me last  
I knew it wouldn't last  
Everything is moving  
Fast

You got me all stressed out

You don't wan to work this out  
So you  
Keep on walkin away  
I gave the best of me  
You put the blame on me  
So just  
Keep on walkin away

All I really need  
Is  
For you to answer me  
Do you here what I'm sayin?

You don't even know what  
I'm feeling right now  
So don't even act like you know  
Cause you don't  
Know

I saw you walk away  
From the life we  
Had  
One day you'll realize  
I'm the best you had [x2]
