Well I know your opinion,
I wouldn't change a thing.
At least you can't say that I didn't try.
Let's use this as something productive and go right
back to our shallow separated sides.

You know I hope for high intentions.
I'm expecting that we'll all go far.

What went wrong tonight?
You said there was no doubt.
Let's throw it all away and forget what's expected of us.

I hope you will remember.
Cause this will haunt you every day.
The tears have all been cried and there's nothing left to
say.
