He and she and I will share
the strongest bond of any pair
of pillars on a firm foundation.
The rain may fall
and the waters swell.
A weaker house would not fair well.
WeÂ're on a firm foundation.

My love is gentle,
like daffodils in the breeze.
IÂ've been missing her
one day less three weeks.

IÂ'll be back my love.
IÂ'll be back for you soon.
The bloody queen herself
could not keep me from you.

He and she and I will share
the strongest bond of any pair
of pillars on a firm foundation.
The rain may fall
and the waters swell.
A weaker house would not fair well.
WeÂ're on a firm foundation.

IÂ've been wandering

from London to the Black Mountains.
AinÂ't seen nothing
to coax me from you darling.

LetÂ's run away together.
LetÂ's build a home together.
If weÂ're poor, weÂ're poor together,
but weÂ'll never be alone together.

He and she and I will share
the strongest bond of any pair
of pillars on a firm foundation.
The rain may fall
and the waters swell.

A weaker house would not fair well.
We're on a firm foundation

feet tied to the ground,
and what You set no man can claim,
so who am I to be afraid.
When every other house is falling down,
we are safe with You.
Dragged out to sea they'll soon be drowned.
We are safe with you
