Sweetest Jesus, I am so tired.
I want to close my eyes and wake up next to You.
Iâ€™m dreaming of those golden streets.
Iâ€™m dreaming of those pearly gates.
Iâ€™m dreaming of the harmonies weâ€™ll sing.

Sweetest Jesus, I am so tired.
I want to close my eyes and wake up next to You.
You are my hope when I have given up,
and when Iâ€™ve given up on You, You wait for me.
Youâ€™re always waiting.

You are my strength when Iâ€™ve no strength to stand,
and when Iâ€™m lost You hold my hand and guide me.
Youâ€™re always guiding
