Bang bang
You shot me to the ground
Bang bang
At the speed of sound
I'm dead for poison in my ears
My head can't stand your frequency
Only you can bring me back
You can save me with your sound

I'm reborn as a discotheque
When you spin the record round and round
I'm reborn as a discotheque
Because you saved me with a sound
You bring me back to life

Bang bang
My hearts on overload
Bang bang
Beats me up again
Round round
You spin me all round
I'm down
But I'm reaching for higher ground

I'm reborn as a discotheque
When you spin the record round and round
I'm reborn as a discotheque
Because you saved me with a sound
I'm reborn as a discotheque
When you spin the record round and round
I'm reborn as a discotheque
Because you saved me with a sound
You bring me back to life

You save me with a sound
You save me with a sound
You save me with a sound
You save me with a sound

I'm reborn as a discotheque
When you spin the record round and round
I'm reborn as a discotheque

Because you saved me with a sound
I'm reborn as a discotheque
When you spin the record round and round
I'm reborn as a discotheque
Because you saved me with a sound
You bring me back to life
