I got my heart in the right place
But something's gotta start it
Suddenly it begins to race
Something's gotta stop it
I am crying out loud for the cure

Doctor, doctor, give me medication, my heart is going
Crazy
Doctor, doctor, be my salvation and drive my spirit out
Of here
I scream, I shake, my pulse is rising quickly
Doctor, doctor, give me medication, and slow down my
BPM*, BPM, BPM

Feels like my heart is gonna break, but you have got
The remedy
All through the night I'm kept awake, and now I'm
Losing sanity
I am crying out loud for the cure

Doctor, doctor, give me medication, my heart is going
Crazy
Doctor, doctor, be my salvation and drive my spirit out
Of here
I scream, I shake, my pulse is rising quickly
Doctor, doctor, give me medication, and slow down my
BPM, BPM, BPM

I scream, I shake, my pulse is rising quickly
Doctor, doctor, give me medication, and slow down my

(Doctor, doctor)
Doctor, doctor, give me medication, my heart is going
Crazy
Doctor, doctor, be my salvation and drive my spirit out
Of here
I scream, I shake, my pulse is rising quickly
Doctor, doctor, give me medication, and slow down my
