I won't cry  
I'm telling you that I won't cry  
And even if I do, it's not because of you  
I promise you that I won't cry

I wonder why happiness  
Is so easily lost  
All my dreams and expectations  
Are turned into dust

I won't cry  
I'm telling you that I won't cry  
And even if I do, it's not because of you  
I promise you that I won't cry

So hurt and defenseless  
I'm left here on my own  
I'm so scared that I'll miss you  
so afraid of being alone

I won't cry  
I'm telling you that I won't cry  
And even if I do, it's not because of you  
I promise you that I won't cry

You can't hurt me anymore  
I wipe the tears from my eyes  
this is over now forever,  
and it's time to say goodbye

I won't cry  
I'm telling you that I won't cry  
And even if I do, it's not because of you  
I promise you that I won't cry

I won't cry  
I'm telling you that I won't cry  
And even if I do, it's not because of you  
I promise you that I won't cry
