Un.....Un.....Unlimited penetration
And feeling like a girl
In the body of a man
Homosexuality.....Homosexuality

French kissing with other men
Working as a male whore (ho)
Homosexuality.....

I'm not a psycho, I am just like you
I'm a woman, I'm a man
I am what I am
What'cha gonna do, what'cha gonna do

Homosexuality..... what'cha gonna do ?
Homosexuality..... what'cha gonna do ?
Homosexuality..... what'cha gonna do ?

Krapach...

Homosexuality...There's nothing you can do (about it)!!
Homosexuality...There's nothing you can do (about it)!!
Homosexuality...There's nothing you can do (about it)!!

Vacations in Turkey, vacations in Marocco
Holidays in Greece.....Homosexuality
Getting married and bringing kids into the world
but still being a homosexual.....Homosexuality

I live just like you
I hurt just like you
I laugh just like you
I take it up the ass like you
But I give more love than you
Homosexuality.....
Homosexuality: what'cha gonna do ?
