What did you do  
You're guilty  
You have to die  
We'll find you  
Everywhere  
Vengeance

Why do you torture me  
My mind is in despair  
Why do you punish me  
For a crime I never committed

Why am I all alone  
No one who hears my crying  
Why do you want to kill me  
For a crime I never committed

Blood, Murder, Vengeance  
Now we have you  
Now you have to die

[REF]  
Lords of the darkness  
Phantoms and demons  
The devil's temptation  
The child will stay innocent  
Struggling for life  
It's the end of the dark times

Why do you call for me  
I'm not the one you look for  
Why do you think I'm guilty  
Of this crime I never committed

Why is no one at my side  
In the hour of my downfall  
Why do I have to die  
For a crime I never committed

Blood, Murder, Vengeance  
Now we have you  
Now you have to die

[REF]  
Lords of the darkness  
Phantoms and demons  
The devil's temptation  
The child will stay innocent  
Struggling for life  
It's the end of the dark times
