He took my soul  
In his hands  
My mind got dark  
In his hands

When did I begin  
To follow the shadows?  
They fill my dreams with pain  
And sadness

When did I begin  
To feel the sorrows?  
Then I laid my soul  
Into your hands

He said sweet words  
With his voice  
He seduced me softly  
With his voice

When did I begin  
To follow the shadows?  
They fill my dreams with pain  
And sadness

When did I begin  
To feel the sorrows?  
Then I laid my soul  
Into your hands

He took my soul  
In his hands  
My mind got dark  
In his hands

Once times were not so dark  
But then the shadows took hold  
Of my soul  
Since then I feel  
My mind's lost in madness

Lost my soul

In the dark  
Lost my mind  
In the dark

Lost my soul  
In the dark  
Lost my mind  
In the dark

When did I begin  
To follow the shadows?  
They fill my dreams with pain  
And sadness

When did I begin  
To feel the sorrows?  
Then I laid my soul  
Into your hands
