Peel off my skin, make me helpless
Taste my body
Let me die in your sweet embrace

Peel off my skin, make me helpless
Taste my body
Let me die in your sweet embrace

I never thought that I could find
Someone like you and still
I feel the union of souls

I never thought that I could find
A love so perfect and still
I'm here in your arms

Peel off my skin, make me helpless
Taste my body
Let me die in your sweet embrace

Peel off my skin, make me helpless
Taste my body
Let me die in your sweet embrace

I never thought that I could find
Peace of mind and still
I'm staying with you

I never thought that I could find
A lust so devouring and still
I'm caught in this passion

I never thought that I could find
All I was searching and still
I found you

Peel off my skin, make me helpless
Taste my body
Let me die in your sweet embrace

Peel off my skin, make me helpless
Taste my body

Let me die in your sweet embrace

Perfect love, you are my perfect love

Perfect love, you are my perfect love
