Like young birds in the sky they have to use  
Their own wings and fly  
But if you take them too high  
They will fall and die

Leave me alone

Oh brother  
Wake up, stand up, you are still living in a world of  
Dreams  
My brother  
Wake up, stand up and join the keepers of the truth  
Oh brother  
Wake up, stand up, they are too weak alone it seems  
My brother  
Wake up, stand up, remember the promise of our youth

We will follow him to the sky so high  
We will never fall, we will never die  
You're an eagle in the sky  
You know how to use your wings to fly  
But if you rise to high  
You will fall and die

Leave me alone

Oh brother  
Wake up, stand up, you are still living in a world of  
Dreams  
My brother  
Wake up, stand up and join the keepers of the truth  
Oh brother  
Wake up, stand up, they are too weak alone it seems  
My brother  
Wake up, stand up, remember the promise of our youth  
Oh brother  
Wake up, stand up, you are still living in a world of  
Dreams  
My brother  
Wake up, stand up, remember the promise of our youth

Leave me alone
