You see a dancing sun
Bursting into flames
Is this real
I feel like I've known you for a while
Please don't ever say that you don't mean if you can
Don't be scared of me
Don't be scared

La mer de mai
Incontro
J'ai vu le soleil
Danzare

Je suis l'amour déchire
Je suis l'amour

Don't let me fade away
Don't push me back don't let go
If you say that I'm your dream you'll keep me alive

The flower is dead
Ardente
This magnificent sculpture
Breathes, moves, loves, cries,
Bleeding into my skin?..cause

She is love in hell
She is love

Don't let me fade away
Don't push me back don't let go
If you say that I'm your dream you'll keep me alive

If you give me a name
I'll come to life
I'll become skin and bones for you
Then I'll come closer

And I'm held on you
