I'm in this for good forever baby
No more sorta kinda maybe's
This time, no losing balance.

Come what may no matter what happens
No more going from this one to that one
All the way that's all that matters.

I don't think I can take another here today gone
tomorrow lover
Dancing in and out of my life, not sure I could survive

Oh I'm no quitter, I can't take handing over my heart
having somebody break
It
This is as high as I'm flying.
This is the last love I'm trying.

Sad and lonely I can't allow to hurt me
No giving into love, having it desert me
This time, all the way together

I can't tell you how important this is
Been through to way too many, hits and misses,
almosts, nearly forever

Oh I don't think I can take another here today gone
tomorrow lover
Dancing in and out of my life, not sure I could survive

Oh I'm no quitter, I can't take, handing over my heart
having someone break
It
This is as high as I'm flying.
This is the last love I'm trying.
