Secrecy
Life on the wire
Joy in my weakest hour
A gas lit scent on the garden of haze
The excitement from the dawning is leading the way,
tonight
I wish to crash, so fire would give me wings
Time flies with me
Mist stardust joins the lust
The down set is tonight
Blow me away
I might undercover my downfall delight
Tonight I'm blowing away
Picture yourself lying on the ground
Licking wounds on glass
I'll be, tonight
On the egde of the blade
'Cause I die where safe-standing lives
The down set is tonight
Blow me away
I might undercover my downfall delight
Tonight I'm blowing away
I keep driving
The down set is tonight
To my delight
To blow away tonight
