I don't know if I'll ever tell you this story
I don't even know whether we'll have the chance
I don't know, if you'll ever see me shaking like this
I'm not sure, I can open my door to more

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

I just can't see where the truth lies
I remember seein' in your eyes
But then, oh then, yo' bitter words
When you knew, I wasn't hidin'

You, you hit my soul
You couldn't make it any deeper inside
You just hit my soul
And I cried, I cried over

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Now only one word is left for me to say
Only one word is left for me to say
?Why??

Bitter words
Full of rage and clever ways
To find the key

To my weakest side

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Bitter words
Full of rage and clever ways
To find the key
To my weakest side

Now only one word is left for me to say
Only one word is left for me to say
?Why??
