Time spins by
time spins by
lost in dreams
wanna go slow
I'm sliding downstream

warm wind blows
carries me high
looking down
I'm floating on by

nothing's resolved
I drift away
light as air
I'm leaving today

watch me floating, drifting free
slowly drifting, waking dream

to you, drifting to you
to you, to you
drifting to you, to you

watch me floating
drifting free
slowly drifting
waking dream

to you, drifting to you
to you, to you
drifting to you, to you

time spins by
lost in dreams
wanna go slow
I'm sliding downstream

warm wind blows
carries me high
looking down
I'm floating on by

nothingâ€™s resolved
I drift away
light as air
Iâ€™m leaving today

to you, to you, to you
drifting to you
to you
time spins by
Iâ€™m lost in dreams
wanna go slow
Iâ€™m sliding downstream
warm wind blows
carries me high
looking down
Iâ€™m floating on by
floating on by
looking down
Iâ€™m floating on by
