So are you turning around your mind?
Do you think the sun won't shine this time?
Are you breathing only half of the air?
Are you giving only half of a chance?

Don't you wanna shake?
Because you love
cry?
Because you care
feel?
Cause you're alive
sleep?
Because you're tired
shake?
Because you love
cry?
Because you care
feel?
Cause you're alive

Make heaven, heaven out of hell now
Make heaven, heaven out of hell now

Are you locked up in you counting the days?
Oh how long until you have your freedom, your
freedom?

Just shake
Because you love
Cry
Because you care
Sleep
Because you're tired
Feel
'Cause you're alive
Shake
Because you love
Bleed
'Cause you got hurt
Die
Because you lived

make heaven, heaven out of hell now.

I want you to
make heaven, heaven out of hell now.

Are you still turning around the same things?
Are you still trying that way?
Are you still praying the same prayers?
Are you still waiting for that same day to come?

Climbing the same mountain
You're not getting higher
Running after yourself
You can't let go
Hiding in that place you don't wanna be
You push happiness so far away
but it comes back
To give you all that you've given before
To love you the way you do, like a mirror
Look in the air and catch that boomerang
Can't fall anywhere else but in your own head

So make heaven
heaven out of hell now
I need you to
Make heaven
Heaven out of hell now.
I want you to
(Are you still waiting?)
Make heaven
(Are you still praying?)
Heaven out of hell now
(Are you still losing?)
I want you to
Make heaven
Heaven out of hell now
(I wanna fly because I dream)
I want you to
(dream dream dream...)
Make heaven
Heaven out of hell now
