A shower of pure joy
A shower of pure joy
A shower of pure joy

We'll walk all the way down this road
We'll hold each other's hand
We'll watch all the colors and their fades
And sometimes, we'll swallow discomfort to be happy

A shower of pure joy
A shower of pure joy
A shower of pure joy
A shower of pure joy

For a while, we'll stay in the warmth
Then as we know, it'll snow
So we'll dream and we'll rest face to face
And sometimes, we'll stay there in silence
Like we never spoke

A shower of pure joy
A shower of pure joy
A shower of pure joy
A shower of pure joy

A shower of pure joy
(I can shine like the sun)
(If you'll be the only one)
A shower of pure joy
(Waterfall where my light will shine on)
A shower of pure joy
A shower of pure joy

I can shine like the sun
If you'll be the only one
Waterfall where my light will shine on
Pure joy, a shower of pure joy

A shower of pure joy
A shower of pure joy
A shower of pure joy

I can shine like the sun
If you'll be the only one
Waterfall where my light will shine on

A shower of pure joy
A shower of pure joy, a shower of joy
A shower of pure joy
A shower of pure joy
