Sometime ago
I was watching the leaves,
lost in that world
in that life beneath
the blue skin, over my head And sometime ago
I was fighting my pain, fighting to win
just like it was a game
and I thought, it would never end And now i'm
somewhere else
oh i came, just to visit
and i dont think i'll stay
any a longer, any a longer So i'll see you some day
yeah i'll see you sometime, sometime, yeah...
Sometime ago I was watching the leaves
lost in that world in that life beneath,
the blue sky over my head And sometime ago
I was fighting my pain,
fighting to win
just like it was a game
and I thought it would never end But now that i'm
somewhere else
oh I came just to visit
'n I don't think i'll stay
any a longer
any a longer... So I' ll see you
some day,
yeah I' ll see you
some time,
and
just like you said
one time,
you can go, you can go,
you can go,
I'll be fine
yeah, I'll be fine
you can go, I'll be fine
just fine Sometime ago
I was watching the leaves
lost in that world, in that life beneath
the blue
