I'm all wired up...
I'm in heaven and I...
Can't say what it is
I got caught up...
I'm in wave but just like a fish I'm playing astonished...

Awakened...
As if life was new to me
like a fire relit at last on the morning after
disarmed
while you say I'm the one
disarming you

Vortexes
nets and dark wells
they led me to these blue skies
these blue eyes
vortexes nets and dark wells they led me to these blue skies
these blue eyes

We heard the storm... I had sparks in my heart when you said to me
(magnetic): "My sensation beat any storm I have seen"
disarmed...

While I say you're the one disarming me

Vortexes
nets and dark wells
they led me to these blue skies
these blue eyes
vortexes nets and dark wells they led me to these blue skies
these blue eyes

Oh God I'm drenched in happiness
for this life is making me feel blessed
in a time of swaying

Vortexes

nets and dark wells
they led me to these blue skies
these blue eyes
vortexes nets and dark wells they led me to these blue skies
these blue eyes
Vortexes

I'm all wired up... I'm in heaven and I...
I can't say what it is
I got caught up...into a wave and just like a fish I'm playing
