(Music and lyrics by Elisa Toffoli & Glen Ballard)

Strange how we're both talking
It seems like we're just saying nothing
And in the meanwhile we're both hoping
In the meanwhile we both know
That this way we're just gonna f@ck, -f@ck!

Fall down, down, low, down, down, down, down
But it's written in your eyes
You're trying too hard
You're trying too hard
It's written in your eyes, you're taking it so far,
You're taking it too far

Strange how we are hiding
It seems like we're secretly fighting
In the meanwhile we're both hoping

In the meanwhile we both know
That this way we're just gonna f@ck, -f@ck!

Fall down, down, low, down, down, down, down
But it's written in your eyes
You're trying too hard
You're trying too hard
It's written in your eyes,
You're taking it so far
You're taking it too far
