(Music and lyrics by Elisa Toffoli)

I've tried and I've tried to forget about you
Just little lies for myself
And you.. you were innocent and true as can be,
And now you are not here with me

I've tried and I've tried to forget about you
Just little lies for myself
You were innocent and true as can be,
And now you are not here with me

I can't go on and keep on keep on
Crying inside and blame destiny...
I can't go on and keep on keep on
Crying inside and blame destiny...
I need to know that you'll come back to me... back to
me..
And you'll come back to me
In my arms

Your name is Yashal
Strong like the mountain, Yashal
You're soft like snow, Yashal
You're strong like the mountain, Yashal
You're soft like snow, Yashal

Yashal
Yashal

Yashal

I can't go on and keep on keep on
Crying inside and blame destiny...
I can't go on and keep on keep on
Crying inside and blame destiny...
But I need to know
That you'll come back to me...
In my arms
Oh, you'll come back to me (back to me)

You're name is Yashal

Strong like the mountain, Yashal
You're soft like snow, Yashal
Strong like the mountain, Yashal
You're soft like snow, Yashal

Yashal
Yashal
Yashal
