Don't know what to say
'Cause it's been so long since I've seen you look at me
this way
Don't know how to feel
Your eyes tell me you want me back but I can't believe
it's real

[Chorus:]
Forgive me for dreaming
But I thought I saw you look at me with your loving eyes
Like when you did way back when
Forgive me for dreaming
But it's so good to see those loving eyes again

Living alone
I knew I lost the best that I ever known
So long to wait
But if seeing is believing I know it's not too late

[Repeat Chorus]

We were the best
I never thought we'd fall apart like all the rest
Oh no, no
So much too fast
It's time I take it slow
To watch it grow and make it last

[Repeat Chorus x3]
