Wow! I'm beautiful or so U tell me so
U say I've got the body that U just love 2 hold
It's so seldom people tell U what U wanna hear
It's so rare that your adventure overcomes your fear
Ooh

Wow! That feels good when U touch me there
(Ooh this I need, ooh this I need)
No one's done it quite like that, maybe no one really
cared
(Ooh this I need, ooh this I need)
So baby, when I say I burn 4 U, this fire is truly your
deed
When all the others fail, I turn 2 U, baby, U see
Ooh (Ooh this I need)

Ooh this I need, ooh this I need

It's so seldom people tell U what U wanna hear
It's so rare that your adventure overcomes your fear
Ooh this I need

If this is an addiction, why do I feel so free?
All I know is ooh this I need

No, 2001 is not that far away, oh no
Yes, I live in the future every single day (Ooh this I
need)
Every second brings me closer 2 something that U'll
say
In your hallucinogenic funky fire startin' ways
(Ooh this I need, ooh this I need)
Wow! I'm with this
(Ooh this I need, ooh this I need)
Ooh

Ooh this I need
Ooh this I need, ooh this I need

Wow! I'm beautiful or so U tell me so
(Ooh this I need, ooh this I need)
U say I've got the body that U just love 2 hold

(Ooh this I need, ooh this I need)
So baby, when I say I burn 4 U, this fire is truly your
deed
When all the others fail, I turn 2 U, baby, U see
Ooh, I'm with it, baby

Ooh this I need, ooh this I need
Ooh this I need
