I told myself, today was gonna be the day,
No more excuses cause I knew exactly what to say,
Was gonna make my play, but just like yesterday,
My mind raced, & let the moment slip away,
Another night got me sitting here all on my own,
Pickin up the phone, but I can't get past the dialtone,
Rackin my brain, goin insane,
Again & Again, I can't be goin this way...

[Chorus]

Crushed,
By the sweetest lips I've never kissed,
& you fingertips,
The warmest touch that I've always missed,
Crushed,
By the softest hands I've never held,
But i'd never tell,
Your the strongest love that i've ever felt,
Crushed, that I haven't ever let you know,
How it goes, cause I lose my mind whenever you get
close,
& so I'm left, short of breath, with that heavy feelin in
my chest,
Baby I'm so crushed ...

So I tell myself that tommorow's gonna be the day,
& I keep on tellin myself that I'm gonna find a way,
& I won't be afraid, just like yesterday,
Won't walk away,
Never gonna let another chance slip away,
Cause I gotta know, whatever way it's gonna go,
Rest my heart & soul cause I can never be no more,
Rackin my brain, goin insane,
Again & Again,
I won't keep goin this way...

[Chorus]

Wishin I wasn't so into you,
Don't know what I'm gonna do,
Gotta find a way,

I don't know just what to do
(x2)

Crushin, I'm so into you,
Don't know what I'm gonna do,
Gotta find a way to you,
& so I'm left, short of breath,
with that heavy feelin in my chest,
Baby I'm so crushed...(repeat after chorus x2)

[Chorus]

Oooh, Oooh, Oohh, Crusssshhheeedd.
