The words I shouldn't say as you walk away
Because you know that I want you to stay
'Cos I have let you go
And I made sure you know
I think our time had passed long ago
The feeling grows
The feeling grows
The feeling grows

There's no love in my traveling man
It's not his fault but on the other hand
I can't wait for my traveling man
It's been too long but we've gave it a chance

So I stay where I stand
And you are gone again
And I'm not sure this time where you've fled
But I have let you go
And I made sure you know
That I can't keep on trying on my own
The feeling grows
The feeling grows
The feeling grows

There's no love in my traveling man
It's not his fault but on the other hand
I can't wait for my traveling man
It's been too long but we gave it a chance

And I don't want to wait and see
Your eyes drift away from me
And I don't want to watch you leave
But I can't make you stay with me

There's no love in my traveling man
It's not his fault but on the other hand
I can't wait for my traveling man
It's been too long but we gave it a chance

And I don't want to wait and see
Your eyes drift away from me
And I don't want to watch you leave

But I can't make you stay with me

Oh, my traveling man...
