Laying down dollar bills
Just thinking about the time I've killed
And if I've been doing right at all
Pulling out pockets to pick up change
Giving dirty looks 'cos I'm feeling strange like
Something's missing but I'm not sure what it is
And it's so hard for me 'cos I'm afraid to see
It's just so hard for me 'cos

Nothing that I do or say
Can change the way that I really feel
I can try to make myself believe
But I know what's really real
And I'm breathing okay
I'm breathing okay
I'm breathing okay

The air has changed, it's getting cold
But my arms are warm like a blanket you know
And if you came and laid with me
I know you'd feel my warmth and see

It's winter time and I'm feeling slow
Got a bag of gold and a [?hand from hell?] but,
Something's coming and I'm not sure what it is so
Hard for me 'cos I'm afraid to see
It's just so hard for me 'cos

Nothing that I do or say
Can change the way that I really feel
I can try to make myself believe but
I know what's really real
And I'm breathing okay
I'm breathing okay
I'm breathing okay
It's just so hard for me
It's just so hard for me
It's just so hard for me 'cos

Nothing that I do or say
Can change the way that I really feel
I can try to make myself believe but

I know what's really real
And I'm breathing okay
I'm breathing okay
I'm breathing okay
