I gotta go  
I gotta go  
Acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella

Your tempo keeps changin' on me  
We could never keep the beat  
Your not the same-same guy  
Who swept me off my feet

We're way-way pass the fade  
We dreamt it out too long  
The-the-the wait is over  
But the show must go on

Oh Oh Oh Oh Oh  
I feel like a million bucks  
Oh Oh Oh Oh Oh  
Cause' I don't give a...

Spotlight through the door  
A-acapella  
Solo, I'm a star  
A-acapella  
Rock it on my own  
A-acapella  
Oh-Oh-Oh It's my show

I gotta go acapella, acapella, acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella

This aint no rocket science  
Don't need to complicate  
When the L-L-Lights go out  
You turn to exit stage  
It's my time to shine  
It feels so good to be free  
Can do whatever I want  
And I'm just doin me

Oh Oh Oh Oh Oh  
I feel like a million bucks

Oh Oh Oh Oh Oh  
Cause' I don't give a...

Spotlight through the door  
A-acapella  
Solo, I'm a star  
A-acapella  
Rock it on my own  
A-acapella  
Oh-Oh-Oh It's my show

I gotta go acapella, acapella, acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella

Aca-capella Aca-capella  
Oh Oh Oh Oh Oh  
Aca-capella  
Oh Oh Oh Oh Oh  
Aca-Cause I don't give a ...

Spotlight through the door  
Solo, I'm a star  
Rock it on my own  
Oh-Oh-Oh It's my show

Spotlight through the door  
A-acapella  
Solo, I'm a star  
A-acapella  
Rock it on my own  
A-acapella  
Oh-Oh-Oh It's my show

I gotta go acapella, acapella, acapella-a  
I gotta go acapella, acapella, a-a-a-a-a-acapella
